TS-9112i — TALKSWITCH IP TELEPHONE

The TS-9112i is a value-priced, entry-level IP phone with one-touch TalkSwitch feature keys. Sleek and elegant, it's a premium, full duplex IP speakerphone with excellent voice clarity.

Easy Feature Access: The TS-9112i provides one-touch feature access keys for: voicemail, transfer, conference, swap, redial and do not disturb.

IP Convenience: Connect to the TalkSwitch over the office LAN without the need for separate telephone wiring.

Easy Installation: Installation of an IP telephone has never been so simple, with automatic TalkSwitch discovery and configuration over the LAN.

On or Off Premise: When used over the Internet, the TS-9112i provides the same access to TalkSwitch features as if working in the office, making it the ideal solution for teleworkers.
